## Result 3:

### STRUCTURE OF THE 8 STORIES

This final result consists of a manual on pedagogical practices divided into two sections:

**Focus group:** teachers and students worked together to identify the real problem in each school and the values they have to enhance in order to minimise it.

**Performance:** The students choose one story for each group and work on the adaptation of that story to the problems of their region, and develop the sharing under the direction of the teachers

## LAST TPM IN DUBLIN

The week of 11 December 2023, it was held the last Transnational Project Meeting in Dublin at De La Salle College Churchtown.

In this final gathering we met with the whole team to review what we've done and set our final goals.
