Training week

On 25-26 April 2022 the training week of our **8 Stories for creativity** project took place in Seville (Spain), hosted by Adharaz School.

The training week was attended by representatives of Lithuania, Italy, Ireland and Spain.

Our consortium had the chance to get familiar with the content of the 8 Stories Portfolio and the top 80 improvisation tips.

What did we do?

The idea was to put into action those resources in the last stage of our project.

We also had interactive workshops with the school students who were wonderful at getting involved.
